JUMPING JACKS - Creative Movement class with emphasis on rhythm, coordination, memory and large motor skills. The class is fun, high energy and fast paced to keep little ones attention. They learn social skills of being in a class with teacher and classmates, without mom or dad. Must be 3 years of age by Aug 1, 2017.

PRE-DANCE - Concentrating on basic motor skills but we add an introduction to ballet, tap & jazz. Although we cannot do technique work at this young age, they can start to learn positions and motions that acquaint them with each style. Wonderful for boys as well as girls! Pre Dance 1 must be age 4, Pre Dance 2 must be age 5, by Aug 1, 2017.

Elementary Dance 1- (1 1/4 hr.), 1st - 3rd Grade, a combination of ballet, jazz & tap Technique and routines in each style of dance. The combo class lets them do it all at a discounted price. Ballet is included in each class because it provides the strong base that all good dancers need! They will perform two routines in each show.

Elementary Dance 2/3 - (1 1/2 hr.) 2nd-3rd 4th - grade with experience. Expanded technique from Elem 1 class.

Elementary Dance 3/4- (1 1/2 hr) 3rd -4th - 5th - grade with experience. Expanded technique from Elem 2/3 class.

BALLET - Ballet is the basis of all performing arts dance. It is encouraged whether or not this is the dancers primary interest. Ballet improves posture, balance, strength, flexibility and coordination. These skills will enable the child to improve in many other activities such as sports, cheerleading, gymnastics and other dance styles. Please consider ballet as a wonderful base for your child's physical education.

JAZZ - A very popular form of dance because it includes so many varied styles. We try to give students a wide range of choreography that might include Broadway style to hip-hop. We use pop music for warm-ups and many routines. Most of the dance you see on TV is considered jazz as well as the dance teams at school. This class will help with coordination and flexibility and would compliment other activities such as poms, cheerleading, tap, and stage musicals.

TAP - Tap dancing is pretty "funky" nowadays!. Although we continue to teach basic steps and technique, we are putting them to new pop music with jazz moves for a more contemporary look. These classes enhance rhythm and coordination. For flexibility, basic jumps and turns, tap students are recommended to also take a jazz or ballet class.

Modern - For Grades 4 & up. No dance experience necessary (Grade 3 with experience) An expressive class in modern dance style. Kids love this free form of movement done to interesting music such as ethnic, folk, percussion, new age, etc. Strengthens upper body, improves balance and coordination.

Advanced Modern - advanced skills in ballet, jazz or modern required. Lots of core work, very physical!
