We carry *REVOLUTION*, *CAPEZIO* & *BLOCH* dancewear and shoes right in our studio for all your dancer's needs. We can fit you at Walk-In Registration or anytime during our office hours. You will be sure you have the right style and size for each class!

TIPS:

1. Put your NAME in all your dance shoes! They all look alike and when you leave yours behind....we can let you know!
2. DANCE BAGS are very convenient, especially for the little ones. Put your name on the outside so you can recognize your bag immediately. We have several *WDS logo* bags available, but you can use other bags as well.
3. LOGO Warm-Ups: Our beautiful WDS warm up jackets and pants are ordered only ONCE a year, in the fall. Information will be available in the lobby for you to get your own *personalized* WDS jacket!

4. Tights or socks should be worn with most of your dance shoes. They go on easier, don't make blisters or sore spots as easily, and keep your shoes clean inside.
