

Wilkerson Dance Studio New COVID Policies

Beginning MONDAY, AUGUST 30, 2021

Due to the rise in our community of Covid-19, and specifically the Delta Variant, I feel we must take steps to protect our children and slow the spread of this 4th wave. My first priority is to continue to hold IN PERSON classes.

Please know I have your child's best interest in mind and I have thought carefully about this decision.

- We will immediately go to a **FULL MASK MANDATE**. Everyone entering the studio must wear a mask (1st grade and over) Masks will be *optional* for our Pre-Dance and Jumping Jacks dancers.
- We will try to social distance *by at least 3 feet*, for most of the class. There will be times that they move around the room.
- We will continue to sanitize as we enter the building and sanitize our facility.
- We must LIMIT people entering the lobby to **ONE ADULT PER STUDENT**.
- We will ask that you not bring in siblings *if at all possible*.

ZOOM Live classes will CONTINUE for those that do not wish to attend in person.

You can use this to stay home if student is contract tracing, in quarantine or has any symptoms. Parents are also welcome to zoom in to watch class! Please call or email if you need the Zoom link for your class.

Some parents may choose to use our Drop-Off, Pick-Up service.

DROP-OFF : FRONT DOOR : Attendants will help younger students in and out of cars and into the building
ALLEY : Older students may be dropped off in the alley and use the student walk-way if there is a line at the front door.
You can also park on North Street and walk younger students in, or older ones can enter on their own.

PICK-UP:

- Line up on NORTH STREET, East of Studio, not more than ten minutes before the end of their class.
- Pull into studio parking lot to door WITH STUDENT NAME sign in window!
- Wait for attendant to bring student out to you.
- You can then EXIT or pull into parking space if you need more time to put in car seat.
- EXIT the alley to the RIGHT toward Harrison Street
- Older students are free to leave and walk to North Street as usual.

-As always, we will continue to notify a class of any exposure that we know of.

-Please continue to contract trace, isolate and quarantine as your school or the CDC recommends.
