2018 Summer Classes
June 4 - July 19

No Classes
Week of July 4

We try to make classes in the summer different and fun for everyone. We have classes for newcomers as well as our current students who need to continue with their technique work. It is also a great opportunity to try something new or "catch up" with a higher class. We also offer opportunities for private lessons.

Students who take more than one summer class will get 15% off ALL their classes! We will also adjust your tuition in the summer to accommodate *one week* of summer vacation! (No Classes week of July 4)

Some of our summer classes will be participating in the *Pennsy Trail Art Fair* on July 28!
