Next school year.....incoming 4th , 5th & 6th graders should be watching for auditions for Jr. Blue Fusion in August.

Registration for GGG is next August through the Greenfield Parks Dept. We will be starting earlier due to the new modified G-c school schedule!

UNIFORMS: that are in good condition...can be turned in next July for RESALE.

Debbie, Anne, & Brittany would like to take this time to thank everyone for a fabulous season. We had a great time and hope the girls did too! It was so fun to watch them improve every performance. Have a great summer and we hope to see you next fall!

NOTE:

We are proud to offer one of the only community, elementary dance team programs in the state. Comments and Suggestions for this program are always welcome.

We strive to make this program better each year. You are welcome to send your comments and suggestions directly to the Greenfield Parks Dept. or to Debbie Wilkerson.

Thank you for all the parent support that makes this program possible.
