

***THE GREENFIELD
GOLDEN GIRLS
NIGHT WITH THE
INDIANA PACERS***

Indiana Pacers vs. Detroit Pistons
Friday, February 22, 2013
Banker's Life Field House

We are pleased to be invited back to perform for the Indiana Pacers! We always have such a fabulous time! It is so exciting to perform at the Field House, have our picture taken on the floor, see our name in lights and have a video made for us!

You may want to record the PRE GAME show before the tip off. We are often dancing behind the commentators!

- **5:15 p.m.** Arrive Banker's Life Field House, Main Entrance. **DON'T BE LATE!** Students will leave coats and personal belongings with parents. They should be **WEARING** their team jacket. JBF change your shoes now!
- **5:30 p.m.** Performers & Coaches go downstairs to warm-up. Each dancer needs to be **HOLDING** their own ticket. Parents will then enter and go to "viewing sections" Section 16, down front where you can see us the best.
- If you arrive **LATER** than **5:30** you will have to wait until someone comes to get you!!
- **6:25 p.m.** performance on the main floor. Don't forget to look up and see our name in lights and close ups of the girls as they dance! Parents may take **STILL** photos but **NO VIDEOS!** We will have a professional group photo taken on the floor after our performance.
- **6:45 p.m.** Parents will meet us at the elevator outside your viewing section. Students are released to their parents.
- **7:00** Tip Off...enjoy the game!

UNIFORM: All members should wear their **CLEAN** uniform including jacket (with name in it) and Hairbow! Everyone should have hair neat and light make-up. **NO JEWELRY.**

MANNERS: I expect all members to represent our team with respect and manners. Do not be an annoyance to other audience members or in the hallways. We are not there to run around the hallways during the game!
