Note from Debbie:

Although my studio has always been known for our quality production shows at Christmas and spring showcase, I am happy to provide this competition opportunity for our students who excel in classes and want this experience.

The first two year's teams exceeded our expectations with awards and FUN! Our wonderful coaches Miss Meghan and Miss Stacey, lead the way to an excellent experience where our students grew as dancers and performers.

We are looking forward to another great year with our WDS competition squad.
